

## RECOVERY COACH/LIFE COACH I

### Empower your community!

Recovery/Life Coaches work with people to become the best versions of themselves by removing barriers and obstacles to change and empowering those people who are seeking support and resources to improve themselves. Recovery Coach I/Life Coach I focuses on providing individuals with the skills needed to guide and support anyone who would like to improve their life. Recovery Coach I/Life Coach I prepares participants by honing active listening, asking appropriate questions and discovering ways to help the coachee manage their own issues and discover resources. Upon completion of the in-person portion of the class, students are required to complete 16 clinical training hours. Once all requirements are completed, students receive three third-party college credits from WV Higher Education.

*GRaCE is a preferred provider through WVCBAAP (for PRSS) and we offer CE's for Registered Nurses and Social Workers.*
